

GLOBAL QUANTUM MECHANICS CHALLENGE

2026

PREPARING YOUNG MINDS FOR A QUANTUM FUTURE

100+ Countries · All Age Groups · Three Rounds · \$1,500+ Prize Pool

THE COMPETITION

ROUND 01

QUALIFICATION ROUND

Solve 5 quantum mechanics problems at home. Open to all students worldwide. No prior experience required.

DEADLINE Sunday, 14 June 2026

✓ Open worldwide ✓ Online ✓ At home

ROUND 02

SEMI-FINALS

Qualified students study real scientific research papers and sit a supervised timed exam. Materials sent via email.

✓ Supervised ✓ Research papers ✓ Timed

ROUND 03

FINAL EXAM

Top qualifiers sit a global supervised exam with advanced problem formats. Open to all age groups.

✓ Global event ✓ Advanced ✓ Medals

WHY PARTICIPATE?

KNOWLEDGE

Wave mechanics, tunneling, spin dynamics, and more.

CREATIVITY

Original problems crafted by domain experts each year.

COMMUNITY

Connect with students from over 100 countries worldwide.

PRIZES

\$1,500+ USD prize pool. Gold, Silver & Bronze medals.

AWARDS & PRIZES

INTERNATIONAL GOLD

Top 5% · Final Round participants

INTERNATIONAL SILVER

Top 15% · Final Round participants

INTERNATIONAL BRONZE

Top 30% · Final Round participants

NATIONAL AWARDS

Best performer per country

AMBASSADOR AWARDS

7 awards · Outstanding ambassadors

TEACHER & SCHOOL AWARDS

3 Teacher awards · 3 School awards

ALL PARTICIPANTS

receive official certificates recognizing their achievement in the competition.
